Please feel free to come along.

Should you wish to establish contact with the school nurse for any other reason please speak to Mrs Tippett.

### Maths Challenge

During the month of May, there will be a Maths challenge open to all pupils. In order to enter the competition, children need to find a way to make the number 8. They can use any method they like using any mathematical concepts (e.g. fractions, decimals, percentages, BODMAS etc.). There is an entry box located in the hall, where children are free to enter by writing their method on a piece of paper - don't forget to include your name and class. A winning entry will be announced at the end of term

### **SUNSHINE OFFERS, GREENWICH BOOK FESTIVAL MAY 26-27, Old Royal Naval College**

Set up by Sherington parents, the Greenwich Book Festival returns to the ORNC to kick off half-term on **Friday May 26** and **Saturday May 27, 2017**. We are a young London festival seeking to reflect the best of the city we see around us. So our wide-ranging programme aims to be inclusive, welcoming to all ages and diverse. But also affordable - with open access to our site and free events, as part of our rich mix. We've got better food this year too.

This week at GBFHQ, we were so excited to see sunshine that we've discounted some tickets while the sun (or stocks last). Check out our **GBF SUNSHINE** offers. Also, two of our visiting authors won major prizes at the **British Book Awards** this week. **Sarah Perry**, part of our Women's Writing Celebratory Pool Party evening on Friday, May 26 won **Book of the Year** for **The Essex Serpent**, while **Kiran Millwood Hargrave** won **Children's Book of the Year** for **The Girl of Ink and Stars**. We have programming from ages 2-200 that roams the globe from **Africa, Iran, India, Pakistan, Europe, the Middle-East** and, of course, **London**.
