Ladders at Home Workshops

We had a very successful series of workshops, exploring Ladders at Home with Parents/Carers. Thank you to all parents that were able to attend, feedback so far has been very positive. We were all particularly impressed with the dual language tab and speed of technology. Thank you to Miss Burnell who has worked tirelessly to ensure we have the most efficient and supportive package of homeschool links for parents to support their child's learning.
If you were unable to attend, we will be sending home individual log-in-details with children this week.
We hope you find the new system of 'Ladders at Home' helpful and will be carrying out a survey for parents views later in the term.

Thank you to our Teaching Assistants who made the early morning crèche an enjoyable event for our children.
