Friends of Sherington

Bedgebury trip: Thank you to everyone who came on the trip to Bedgebury and especially to Sarah Grehan and Mrs Sainsbury for organising - it was a great day. Meeting: All welcome to the next Friends meeting - **Friday, 5th May, 9-10.30am in the Creation Station.** We'll be planning the summer fair so please do come along.

Maths Challenge

During the month of May, there will be a Maths challenge open to all pupils. In order to enter the competition, children need to find a way to make the number 8. They can use any method they like using any mathematical concepts (e.g. fractions, decimals, percentages, BODMAS etc.). There is an entry box located in the hall, where children are free to enter by writing their method on a piece of paper - don't forget to include your name and class. A winning entry will be announced at the end of term
