THIS WEEK

NSPCC Number Day

I am delighted to inform you that donations in exchange for children wearing their own number themed clothes last Friday totalled **£243.75!** Thank you so much for your generosity. Coin Quest has also been such a success - the children have thoroughly enjoyed filling up their own jars and sabotaging the jars of other year groups! Thank you to everyone for supporting the NSPCC - we will let the children know who has won Coin Quest and how much money has been raised, after half term!

Arbor

I just wanted to remind parents and carers to download the Arbor Parent Portal App. We will be using the portal to communicate with families from March onwards and so it is really important that this is done by the deadline of 24th February. Unfortunately the cost of sending text messages has become prohibitive and so the portal will be used to send messages as well as via email. Please download the app, register for an account and make sure that you have the notifications turned on! Thank you for your cooperation with this.

World Book Day

The children were so excited to hear about this year's World Book Day theme in assembly this week. We will be celebrating World Book Day on Friday 7th March and the theme this year is, "Out of this World!" We have chosen four books on this theme so that children have plenty of inspiration for their costumes. There is also a "Book in the Box" competition and we will be linking our love of reading to poetry and music this year.

Internet Safety

It was Internet Safety Day on Tuesday. In their computing lessons this week children have been learning about how to stay safe online, they also took part in an online safety assembly on Monday. The virtual workshop for parents and carers will take place at 6pm on February 25th - the workshop has been partly based around anonymous surveys that the children have completed in their computing lessons. Although virtual, the session will include opportunities for parents and carers to ask questions.

Parent Forum

Please see the letter sent today about Parent Forum. Parent Forum met for the first time last Friday and we have agreed that we will meet in the penultimate week of each half term going forward. If you have topics for discussion that you would like the parent rep for your child's class to raise, then please raise these with them or contact me directly.

Mr O'Leary

Just a reminder that Mr O'Leary's last day at Sherington will be Friday 28th February - he will be in the playground at the start and end of the day to say goodbye.

Have a lovely half term - see you all on Monday 24th.

Best wishes, Hannah Freeman

Attendance

The award for last week's attendance goes to Sea turtles with 99.3%

Word of the Day

This week's vocabulary has been: insecure, soar, mundane, persistent and protect. How can you weave these in to this weekend's conversation?

Notification of the replacement of gas mains in Charlton, Greenwich:

The old metal gas pipes have reached the end of their life and need to be replaced with plastic pipes to allow us to ensure that we can continue to provide a safe and reliable network.

Work started on the 27 January and will last approximately 32 weeks. The work will be completed in the following phases.

Phase 1 – Wyndcliff Road.

Our engineers will begin work in Wyndcliff Road on 27 January for approximately two weeks, our engineers will be working between property number 1 and property number 64.

Phase 2 – Charlton Road

From the 17 March works will commence along Charlton Road (B210) from the junction of Cherry Orchard to OS 88, then switch to the opposite side and work from OS 139 to junction of Victoria way. To ensure the safety of traffic around the work site, temporary three-way traffic lights will be installed for approximately for 6 weeks.

Phase 3 – Cemetery Lane/Park Drive

Our engineers will move to Cemetery Lane, between the junctions of Charlton Park Road and Charlton Park Lane on the 24 February. For approximately 17 days. Temporary multi-way traffic lights will be installed to allow traffic to safely pass our worksite.

Additionally, there will be works at Park Drive between the side of property number 5, to the junction of Cemetery Lane for approximately 7 days - this will also require temporary three-way traffic lights to be installed.

Phase 4 – Charlton Park Road/Mascalls road

Our engineers will move to outside Charlton Park Academy from 17th February for a week. Works will be from outside of the school to the junction of Charlton Lane. Temporary lights will be installed to allow traffic to safely pass the site. Additionally, there will be works starting on the 17 February in Mascalls road, from the junction of Charlton Road to junction of Bramhope Lane.

-Please allow extra time for your journey

-Please notify visitors or delivery drivers about the road closures.

-Please contact your bus provider for any changes to the route or timings.

This project will continue until September, further details will be communicated at the end of March.

A drop-in event will be held on Thursday the 27 February at The Medium Room, Mycenae House, 90 Mycenae Road, Blackheath London SE3 7SE from 2pm-6pm to explain the project in more detail and answer any questions you may have.

Fundraising

I am doing a big swim in September: swimming the Dart10k (a 10,000 metre swim down the River Dart). This is known as a marathon swim distance. I'm raising money for level water, a charity that helps children with disabilities learn to swim. Any donations would be greatly appreciated! Thank you, Miss Armson

We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
