THIS WEEK

Year 6 SATs

I have to start this week's newsletter by saying a huge congratulations to Year 6 who have been doing the SATs this week. They have shown such grit and determination and everyone has tried their absolute best. We are so proud of them all! The children loved their special SATs breakfast and they also now know what the Year 6 production will be - I won't spoil the surprise and will leave it to them to tell you! Thank you to the whole Year 6 team and to everyone who helped to administer the SATs - it was a huge team effort!

Walk to School Week

Next week is Walk to School Week, we will be collecting information about how many children have walked to school and learning about the benefits of walking to and from school whenever possible.

Nut Free School

Please remember we are a nut free school. This includes chocolate spread, peanut butter and breakfast/chocolate bars containing nuts. This is to ensure the safety of all our children.

Trips

Thank you to all of the parents and carers who have given their time to accompany Year 1, 2 and Reception on their school trips this week. All of the trips were a great success and they simply would not have been possible without your support!

Climbing Frame

We have just received an update about the climbing frame - the missing part will be installed next Friday and will be ready for the children after half term. Thank you children for your patience!

School Based Provision

We are in the process of setting up our own school based provision for children with complex additional needs. We have a number of children at Sherington who will benefit from a more bespoke curriculum that can meet their needs more effectively than a mainstream classroom environment. We are currently advertising for a new teacher to run the provision class. The provision class will be based in what was the Children's Centre but will very much be part of Sherington. Children who will benefit from it will also continue to be part of and benefit from mainstream provision as well. If you have any questions about this, please do not hesitate to get in touch.

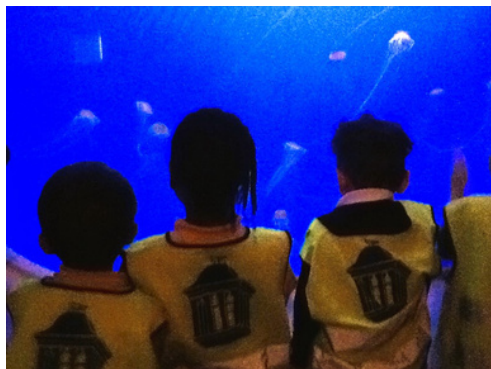

Have a lovely weekend. Best wishes, Hannah Freeman

Football

On Wednesday, our girls football team played their last set of fixtures. The team won 3-0, 1-0 and drew their last game 0-0. The team have had an incredible season and we are very proud of all of them. They will have a presentation on June 11th where they will find out where they finished in the league.

Attendance

The award for last week's attendance goes to Pandas with 100%

This week, Year 2 enjoyed a visit to the Horniman Museum in Forest Hill. Children cemented their learning on Africa by visiting the World Gallery. We also visited the Butterfly House, where children were amazed to see huge butterflies right in front of their eyes and, in some cases, landing on them! We also saw jellyfish, poisonous frogs and clown fish – to name but a few – in the aquarium. A fun learning day was had by all.

Both Year 1 classes enjoyed their trip to the Cutty Sark and Greenwich Park. The children showed excellent creativity when completing their observational drawings of the ship. We then explored Greenwich Park taking in the sites of the local area. All of the children showed outstanding self-regulation and a love of learning.

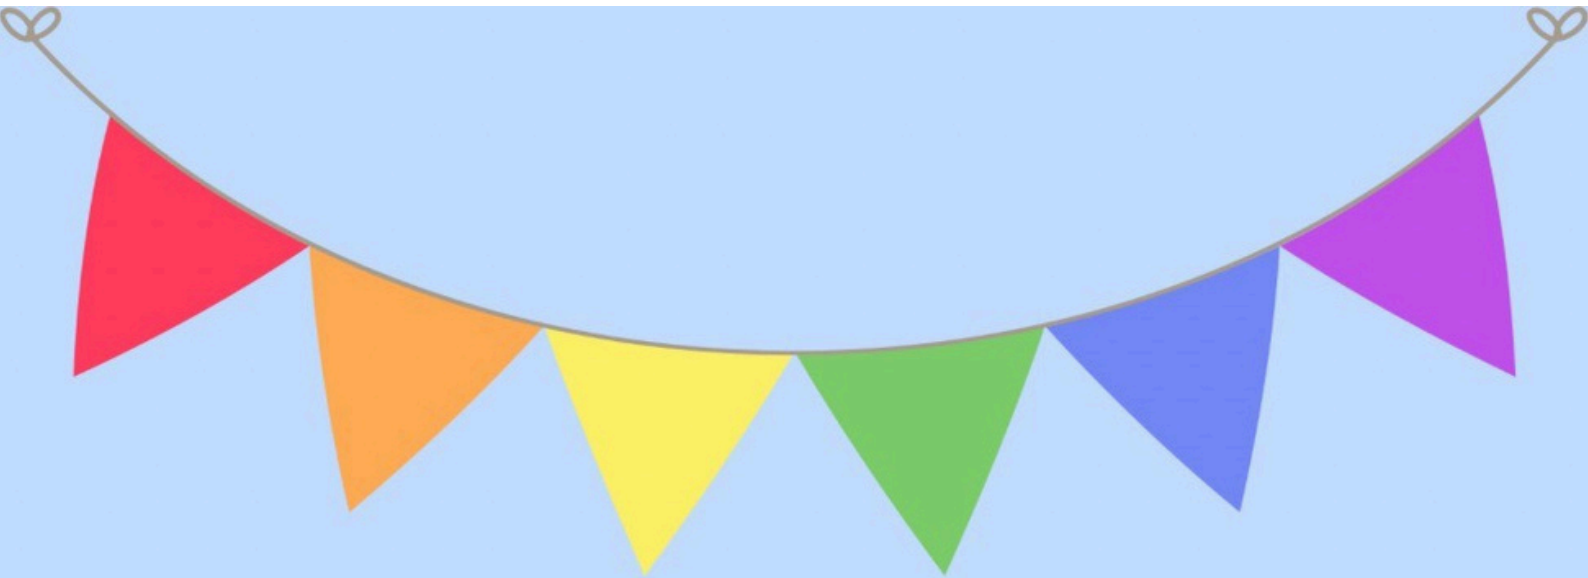

Reception enjoyed a wonderful day at Greenwich park. We put on our explorer hats and hunted around the flower garden for different features and even stumbled upon a fascinating caterpillar tree! A big thank you to Miss Gammon for delivering a widely loved bug hunt. The children were all mini beast experts by the end of the day.

DATES FOR YOUR DIARY

Fundraising

I am doing a big swim in September: swimming the Dart10k (a 10,000 metre swim down the River Dart). This is known as a marathon swim distance. I'm raising money for level water, a charity that helps children with disabilities learn to swim. Any donations would be greatly appreciated! Thank you, Miss Armson
